OUR STORY:

Established in 2015 by Brazilian Marcio Saboya, The Açai Spot was the first café in the region dedicated to açai, helping make this superfood trend popular in Dubai and beyond. What began as a cozy neighborhood spot has grown into a cherished brand—where friends and families gather to enjoy wholesome bowls, rich coffee, and moments that turn into lifelong memories.

Loved by so many, The Açai Spot has been part of your celebrations, your laughter, and your everyday joys. Thank you, Açaiholics and Coffeeholics, for your love and loyalty.
